

Minutes of the Rotary Club of Anguilla

18th August 2022

Attendees

9 members, 3 honorary members, 2 guests and 2 members online

Apologies from Kashamar Lewis It was also noted that she will be taking a leave of absence this year as she has been awarded a grant to study in the UK

Off Island : President Jacquie Ruan and Ron Harrington

Invocation and National Anthem

Speakers

Seymour Hodge

Seymour was a guest speaker recently at a club in Chicago and gave an impressive account of our club activities. He recently met a Rotarian from the club who was visiting Anguilla and he gave her a banner and a tour of the island.

The final training session for Leaders will be held via Zoom on August 24th.

Correspondence

- Mr Hamilton wrote to inform us of a Youth Service Exchange Program aimed at 18 to 30 yr olds. We were recently visited by such people who came from the UK. We will be getting more details shortly.
- We will be celebrating COVID health care workers during next week (we have Dr Kareema and Nurse Biola.)
- From the President of the Club Challenge and Recognition Program: Starting now clubs are invited to participate in a new challenge each month. We look forward to participating starting with the September Challenge!

Speaker

Geneva Fedee

Geneva gave a very instructive and insightful talk about the role of the Rotary Foundation. Topics mentioned were the “Elevator Speech” and how to apply for a Global Foundation Grant. We were reminded of the importance of donating to the Foundation in order to receive money from them. We look forward to generating ideas for a grant.

Happies and Sads
